

## PARTICIPANTS

**Claire Bews**  
Fund manager  
M&G Investments

Claire Bews is a corporate bond fund manager in the fixed income business of M&G Investments, an organisation she has worked for since 2001. Bews manages several large segregated mandates for insurance companies and pension schemes and has a particular expertise in building and managing credit portfolios to match institutional investors' cash-flow or liability profiles. Prior to joining M&G, the Cambridge University graduate worked for Barclays Capital as part of the front office credit team. She was appointed a trustee director of the M&G Group Pension Scheme in 2015.

**Kunal Chavda**  
Director, fixed income  
bfinance

Kunal Chavda is a recent addition to bfinance's fixed income team having joined in March. He had spent the previous three years as a senior consultant at Buck Global. His other roles have included stints at Vestra Wealth and Barclays, where he spent more than nine years as both an analyst and portfolio manager.

**Norbert Fullerton**  
Head of institutional client strategy, EMEA  
Janus Henderson

Norbert Fullerton leads Janus Henderson's institutional client strategy business where he is responsible for thought leadership and strategic investment. He provides insight from its clients' viewpoint, with strategic input into product development, marketing and the overall direction of the EMEA institutional business. Fullerton is an experienced investment consultant to large pension funds and other institutional investors in EMEA. Before joining Janus Henderson, he was a partner at Mercer leading the growth of its Wealth (joint Investment and Retirement) Consulting and Solutions business.

**Celene Lee**  
Principal and senior investment consultant  
Buck

Celene Lee has been advising trustees and companies on pension scheme investment and financing for almost two decades. She currently manages Buck's investment consulting business, developing investment propositions and leading advice for clients. Before joining Buck in 2014, she worked for PwC where she specialised in providing corporate investment advice to sponsors of DB pension schemes. Lee also spent time as global head of pensions at Barrie & Hibbert, which provides asset and economic risk modelling expertise to pension investment consultancies, banks, insurers and asset managers.

**Anand Kwatra**  
Investment actuary  
Phoenix Group Capital

Anand Kwatra has a range of insurance investment experience covering private credit, origination, internal rating and ALM. He is currently an investment actuary at Phoenix Group Capital, which is responsible for the shareholder investment strategy and risk management initiatives for closed life fund consolidator Phoenix. Kwatra is a fellow of the Institute of Actuaries.

**Dinesh Visavadia**  
Director  
Independent Trustee Services

Dinesh Visavadia is an experienced trustee and chair of trustees for pension schemes and charities. He joined Independent Trustee Services in 2016 and has a background in managing domestic and international pension arrangements for UK companies. Most recently he was head of pensions and benefits at Britvic Soft Drinks. Before that he was head of pensions at the John Lewis Partnership.

**David Weeks**  
Co-chair  
Association of Member Nominated Trustees

David Weeks has been co-chair of the Association of Member Nominated Trustees (AMNT) since 2016. He is also a director of a defined benefit pension scheme sponsored by a listed infrastructure services business. Weeks has also served as a consultant or executive for government departments including the Home Office and Department of Trade and Industry. His CV includes business development and marketing roles in the private sector.
